RE: *In Re: Terrorist Attacks on September 11, 2001, 03 MDL 1570 (GBD) (SN)*

Dear Judge Netburn:

Plaintiffs forward to the Court an Executive Order that President Biden signed this afternoon directing the declassification of various critical documents arising out of the investigations into the 9/11 Terrorist Attacks. *See Exhibit A (Declassification Reviews of Certain Documents Concerning the Terrorist Attacks of September 11, 2001).*

In light of this recent and remarkable change in the government's position, and in connection with Plaintiffs' request to extend expert discovery deadlines, Plaintiffs ask that this Court stay those deadlines and convene a conference to address today's developments and how they impact the litigation against the Kingdom of Saudi Arabia. Further, given the President's Executive Order, expressing the United States' interests in the matters at hand, we hope to hear further information from the government at that conference, should the Court schedule one.
